Summer College Consulting Steps

Our comprehensive program will support through the following aspects of the college application process:

- Refining your child's list of colleges and specialized programs
- Establishing an organizational system for essential documents
- Student self-reflections per requirements of your child's school counseling department
- Teacher recommendation considerations, requests, and presentation of folders
- Helping students find their authentic voice for their college essays
 - Encouraging multiple draft revisions, online and in consultation
 - Creating a strong 600-word as well as 400-word essay for UC schools
 - Refining the 600-word essay for the Common App. 500-word essay
- Completing the Common Application, UC and CSU applications
 - Prioritizing activity details for the strongest presentation
 - Exploring and discussing further opportunities for service and initiative
- Preparing for alumni interviews through writing and videotaping
- Developing student resume
- Researching scholarship opportunities
- Scheduling practice tests in preparation for fall test dates
- Requesting score reports and transcript information [Fall]
